

HELP US CLEAN UP THE BEACH AT HALLOCK!

This event is part of the **#DontTrashLISound** marine debris reduction campaign and the **International Coastal Cleanup**, a global cleanup event that takes place every year to help reduce coastal pollution and learn more about marine debris. Participating is easy. All materials will be provided, including buckets, bags, grabbers, parking waivers, (and free stickers for your water bottles!). We only ask that you bring:

- water,
- sunscreen, and
- gardening gloves (if you can).

For more info or to RSVP, please email Jimena Perez-Viscasillas at jbp255@cornell.edu. Groups welcome!

When? Monday, August 30th, 10 am-noon
Where? Hallock State Park Preserve
