

New York **SEAFOOD** Summit

February 22-26, 2021

Thursday,
February 25th 3-4 PM:
New York Retail Seafood
with Fishmonger Warren Kremin

Warren Kremin is a 4th Generation fish monger in the New York's famous Fulton Fish Market. He graduated from George Washington University in 1992 with a bachelor's degree in International Business. 28 years later, Warren is still a fish monger in the Fulton Fish Market. Warren has been an executive with Blue Ribbon Fish Company since 2008. Blue Ribbon is a full line, full service seafood wholesaler and distributor in the Fulton Fish Market since the 1930's. Warren realized that once the fish market relocated from downtown Manhattan up to the Bronx, the business model would have to be innovative to meet new market challenges. Distributing directly out of the market and adding value to the product sold to our customers have been very important components in today's marketplace.
