

Seaweed Food Safety Hazards and Controls Guide

REGISTER TODAY!

Join us for a review of seaweed related food safety and the development of a new Seaweed Hazards and Controls Guide. This webinar is highlighting the efforts of a the USDA funded Food Safety Outreach Program award entitled “Developing a Hazards and Controls Guide to Support Safe Seaweed Production and Marketing.” The remaining two webinars in the series will focus on the microbiological and chemical hazard chapters.

Wednesday, June 18, 2025 - 2PM EST

Microbial Hazards Associated with Seaweeds
